 - Small group Bible talks

-  The adventure begins in church where an Altogether Time at the start of the service sets the scene for the children's groups
-  Parents are encouraged to sit near the front of the church with their children during the Altogether Time before accompanying them to the registration desk
-  Registration takes place in the café area immediately after the Altogether Time. Parents will be issued with a 'Registered Child Card' for safekeeping and for return when collecting their child
-  On Holy Communion Services (first Sunday of every month) registration begins at 10.25am and children start in their groups at 10.30am

Children are the responsibility of their parents/carers before being registered into their groups and after collection from them. Please ensure they are kept safe whilst on the premises by supervising them before and after sessions. Thank you!

Programme for Summer Term 2010

Teaching this term will run alongside the "Who do you think you are?" series. The programme covers 11 Old Testament characters from Jesus' family tree. Please join us in encouraging your child to become familiar with these particular Bible characters so the children really enjoy learning and contributing in our Sunday mornings over the next few weeks, as we discover God's amazing faithfulness through all the generations!

Sponsor a Child

We encourage the children to save coins for an 8 year old girl in Ethiopia through Compassion UK. Chuchu Hanako lives with her mother who is a peasant farmer. Sponsorship enables her to participate in a church based programme to help her grow physically, emotionally, socially and spiritually.

Money boxes are supplied (please ask) - coppers are welcome! In 2009 the children raised a total of £237 for Chuchu.
